Steffes sent in withdrawal request letter. We were drafting letter acknowledging the withdrawal request after review of the project and or inspections. Our letter sent on 12/20/2012.

Four Beck. We consider application withdrawn on June 22, 2012. We acknowledged that withdrawal request with a letter on November 30, 2012 after inspection of site and confirmation that improvements were made.

Hi Dan,

Thanks for the update. Two questions:

- 1.) Steffes Farm: Who is drafting the withdrawal letter, Illinois EPA?
- 2.) Four Beck Dairy: a previous CAFO tracker indicated that Four Beck Dairy withdrew its application on 6-22-12. Does Illinois EPA consider Four Beck Dairy's permit application not to be withdrawn until November 30, rather than the previous June date?
